

JACK'S HELPING HAND

1 Jack's Assistance

We provide support in your time of crisis. Our staff, volunteers, and donors have been in your shoes with our siblings, children, parents, and/ or friends. We are here for you, and your family is our #1 priority.

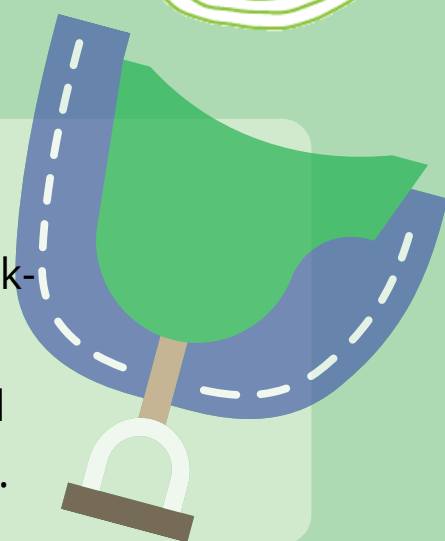

2 Little Swimmers

These sessions provide individualized lessons incorporating methods which minimize sensory obstacles and offer a different approach to traditional swimming lessons.

3 Little Riders

Little Riders is an adaptive horseback-riding program that is specifically designed for children with physical and cognitive disabilities ages 4-21.

4 Toy Lending Library

Toy Lending Libraries offer traditional as well as adaptive toys for children and their families, at no cost, to enjoy at home.

5 Camp Reach for the Stars

Giving kids coping with cancer the chance to be kids. It allows the children to shed the hefty "cancer-patient" label.

6 Beach Mobility For All

Provides independent mobility and access to local beaches for people with special needs.
